

2022 Summary of Benefits

Nevada

Wellcare Specialty No Premium USHS (HMO C-SNP)

H6446 | 018

We know how important it is to have a health plan you can count on.

This is a summary of drug and health services covered by Wellcare Specialty No Premium USHS (HMO C-SNP) from January 1, 2022 to December 31, 2022.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at www.wellcare.com/allwellny. Or, you may call us to ask for a copy at the phone number listed on the back cover.

Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.

Our service area includes Clark county in Nevada.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

Chronic Special Needs Plan (C-SNPs) For Chronic Special Needs Plan (C-SNP), you must also have been diagnosed with cardiovascular disease/chronic heart failure, congestive heart failure, and/or diabetes.

Our plans give you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit www.wellcare.com/allwellny. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor our plan will be responsible for the costs.)

Our plans also include prescription drug coverage and access to our large network of pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Specialty No Premium USHS (HMO C-SNP) has a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. With some plans if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory and for plans with prescription drug coverage, our

complete plan Formulary (list of Part D prescription drugs) on our website at www.wellcare.com/allwellny.
